### NOTES

**Gluten free:** Please note some of our dishes are gluten free and our chefs are careful to not cross contaminate. Other dishes are “gf available” = a simple measure like removing the garlic bread component. Also, we have many dishes that contain gluten free ingredients like sweet potato chips, our parmigiana (has gluten free coating,) and our regular chips, but these can not be listed as gluten free as they are immersed in the frying oil which also services floured items, so is gluten contaminated.

**Altering Dishes:** Please note altering dishes is sometimes possible but may add to the cost and does increase wait time. At peak times this may not be possible as it will impact on service times.

**Cake-age:** Please note our cakeage rules- completely byo everything (paper plates, spoons, knife etc) is free and fine as long as you have booked in for an a la carte meal. Avocados “cake-age” is \$2 p/p and consists of us providing side plates, cutting knife, spoons, candle if required and pots of cream if desired(: We are happy to cut and serve too but this will be done at the bar and will take a little time to plate up.

**Avocados** are not always in season, unfortunately there will be the occasional time we run out! When they are in season we often have spares to sell at the counter.

**Functions:** We have a beautiful function room that seats 100, this is perfect for weddings, anniversaries, birthdays and a corporate events. Please email Brad for more information: [brad@avocadosperth.com](mailto:brad@avocadosperth.com)

**Large groups/Set Menus:** Booking for a larger group and would like to have a set menu? Please contact us so we can sort something for you. We recommend booking a set menu for groups over 20 as it helps make meals more timely and controls the cost.

**Contact us:** One good thing to come out of the Covid pandemic was that we had to get friendly with the facebook message function, we actually prefer this type of communication to the telephone, it seems to be a better way of handling mass communications, so, if you are facebook friendly feel free to book/contact us via fb message to avocados perth. We do get super busy from time to time so even if you leave a message or phone message we will get back to you as soon as we can!

**Thankyou! We are very grateful to our wonderful customers who supported us through some challenging months! Thank you also for visiting today!**

*Please note: v= vegetarian, gf=gluten free, gf avail= please ask to switch meal to gluten free, no b.y.o*
